KALLEGRA

Wood Flooring

VOL-26

Every room tells a story.

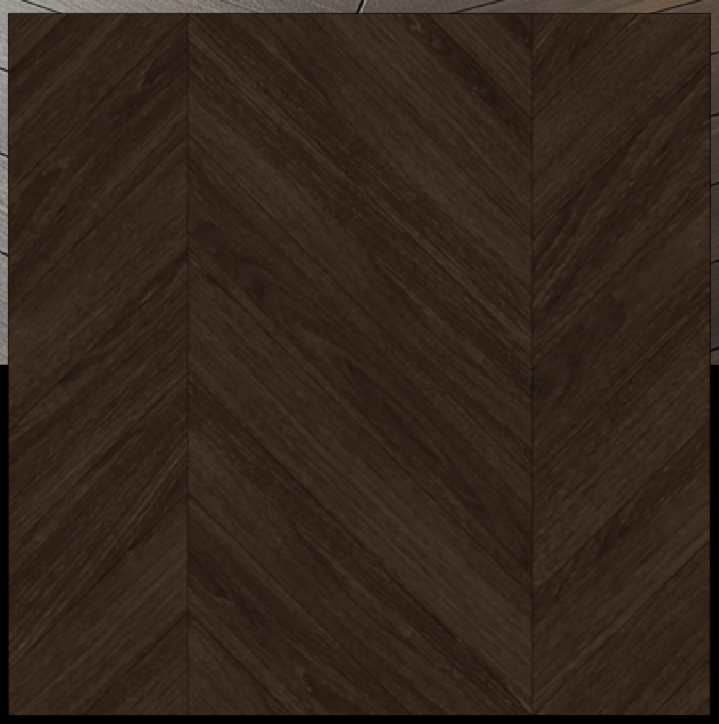

Make yours unforgettable

Wood Flooring by KALLEGRA

Staggered Design

Like fine sand shaped by time, subtle in tone yet rich in presence. A staggered layout that feels effortless, never rigid.

Chevron Design

A deep, timeless tone that anchors the space with quiet strength. Chevron geometry adds refinement without excess.

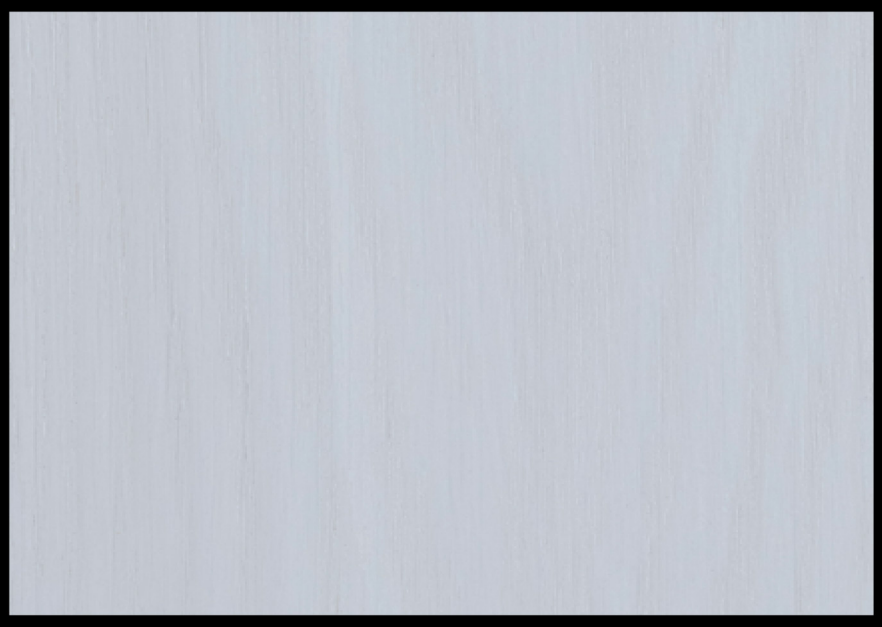

Herringbone Design

A sun-kissed tone layered with depth and character. The herringbone pattern adds texture, direction, and quiet drama.
